- In the planning of your poster presentation, remember that the poster will be available for viewing and discussion for several hours. The poster should be understandable without oral explanation.

- Excessive use of organisation logos / advertisements is not allowed.

POSTER CORNER DISCUSSION

Posters scheduled for a POSTER CORNER discussion are grouped and shown in the poster and exhibition area (check the floorplan in the programme book on site for exact location). Your poster must remain on this location for the entire day. Posters displayed in a Poster Corner will be discussed jointly in a discussion led by the session chair. Poster corner discussions are scheduled during the poster session after the keynote speaker on Monday, Tuesday and Wednesday and before the closing session on Thursday.

At the time your POSTER CORNER DISCUSSION is scheduled, you **MUST** be present at your poster. The session chair will give a short introduction to the shared topic of the posters displayed in the Poster Corner at the start of the Poster Corner Discussion. Following this introduction the session chair facilitates the discussion between the poster presenters and the audience.

Authors should be prepared to answer questions from the audience. Please make sure that the figures and text on your poster are sufficiently large.

Should circumstances prevent you from making your presentation, you must arrange for a substitute to present your paper and you must notify the SETAC Europe office immediately by sending an e-mail to roel.evens@setac.org.
